## REAL ROUGH RIDERS.

Buffalo Bill to Have many of Roosevelt's Regiment in His Exhibition.

There seems to be much anxiety on the part of many of the residents of Akron to see the original members of Roosevelt's rough riders in action. Colonel Cody (Buffalo Bill) will give the anxious ones a chance to see what they have for a long time wished to witness. He has, after considerable trouble, succeeded in securing twenty-five of these famous

warriors. Men who actually saw battle, took part in skirmishes, and in fact were wounded in different engagements. These men are known the world over, and have been secured especially for the great heroic charge up San Juan hill, to be accurately reproduced by this organization, which will be shown here on

United States Cavalry and Artillery, the Thornton st. grounds tomorrow afternoon and evening.

These Rough Riders are only part of the six hundred persons who are to truly represent to the people the Rough Riders of the different nations, including war painted Sioux chiefs and braves, sinewy Cossacks from the Caucasus, fanatic Bedouins from their Arabian steeds, Lancers from the Queen's Own Company, Chasseurs and Cuirassiers from the crack cavalry regiments of their native countries, Uhlands, South American Gauchos, detachments of

Mexican Rurales, Vaqueros, Czizkos, dashing Cowboys, Scouts and Frontiersmen, Texas Rangers and others. Miss Annie Oakley will introduce many new and novel shots never accomplished by any other sharp shooter, and Johnny Baker will appear in remarkable feats with the rifle. Colonel Cody will appear at every performance.

## STREET SWEEPER

Of Auto-Mobile Pattern Will Follow Horseless Patrol.

Work has commenced on Akron's auto-mobile patrol wagon. It will be under the supervision of Mechanical Engineer Loomis. The commissioners, if the patrol is a success, will consider the advisability of constructing an electric street sweeper.

## GIVE THE CHILDREN A DRINK

Called Grain-O. It is a delicious, appetizing, nourishing food drink to take the place of coffee. Sold by all grocers and liked by all who have used it because when properly prepared it tastes like the finest coffee but is free from all its injurious properties. Grain-O aids digestion and strengthens the nervous system. It is a stimulant but a health builder and children as well as adults can drink it with great benefit. Costs about one-cent as much as coffee. 15 and 25c.

Points to the Desirability of Pure and Reliable Drugs.

Long life and perfect health are possibly only when the best drugs are used. The saving of a penny counts for nothing if the drug purchased is ineffective.

The Virtue in Drugs is readily seen from our stock. Here are the best as represented in strength, purity and freshness. No high quality drugs were ever sold at so low a price, but we do not make a specialty of the cheap kind.

IN MEMORY OF INGERSOLL.

Services Held and a Monument Movement Started.

PEORIA, Ill., July 24.—Memorial services in honor of the late Colonel Robert G. Ingersoll, who was for many years a prominent resident of Peoria, were held in the Tabernacle here Sunday afternoon. Over 500 of the dead orator's old time friends were in attendance, quite a number being members of his old regiment, the Eleventh Illinois cavalry. Addresses were delivered by about 20 persons, and lengthy resolutions, lauding his works of charity and his courage in upholding his belief, and extending sympathy to his family, were adopted.

A movement toward the erection of a monument to his memory in Glen Oak park in this city, by popular subscription, was inaugurated.

## Enough For Both.

"But what will your people say?" she murmured, with downcast eyes. "I am not only poor, but my family is unknown. I haven't even," she added pensively, "a coat-of-arms, you know."

And he proceeded to use them.—Chicago Tribune.
